KPSP Information Network

Health Survey to Access KPSPIN

Welcome to KPSPIN

A community wireless network

To access wifi for 10 minutes, please answer a few health questions.

The health questions generated in partnership with the Ministry of Health and local health initiatives. This will help make improvements to the existing health services and prioritize needs. It should only take a couple of minutes, and your responses are completely private.

Answer a few questions for
10 minutes of complimentary wifi

OR

Enter purchased token number
